Case Farms Winesburg Facility Reaches One Million Man Hours Without a Lost-Time Accident

Winesburg, OH (September 29, 2022) – Case Farms, a local poultry farming and processing group, achieved another safety milestone on Wednesday, September 21st after their Winesburg processing facility reached one million hours without experiencing an Occupational Safety and Health Administration (OSHA) recordable lost-time accident (LTA).

Achieving this goal is no simple task and, involves every team member working together to promote a safe workplace. This is a proof point of our commitment to safety," said Jeffrey Shanabarger, regional safety manager, Ohio Division. "At Case Farms, our goal is to be the safest poultry company." The Winesburg facility's accomplishment is just one of the company's safety achievements. This is the second time this year a Case Farms facility has reached this milestone.

In addition to efforts made by employees, Case Farms implements a company-wide worker safety program comprised of core elements that are essential to achieving and maintaining a strong safety and health program.

About Case Farms

Founded in 1986, Case Farms is a fully integrated poultry farming and processing group of dedicated individuals that work together to produce consistent, quality poultry products. Its driving purpose is to deliver superior products and service to every customer, every time. Case Farms processes 3.8 million birds per week, has over 3,300 dedicated team members, and produces in excess of 1.1 billion pounds of fresh, partially cooked, and frozen-for-export poultry products per year. The company has operations or offices in Ohio and North Carolina. For more information on Case Farms, visit www.casefarms.com.
